I hereby authorize Collision Experts to do any necessary Vehicle disassembly operations in order to facilitate the estimate process and identify additional damages, and/or complete the repairs required. I understand that I may be responsible for any and all fees associated with the disassembly process and/or storage fees not covered by insurance or other third parties involved. I understand that if repairs are based on Collision Expert's estimate, the final price may vary due to parts price increases and/or additional hidden damage found. I authorize up to 10% over the estimate before being notified of the increase. I hereby grant Collision Experts and its employees permission to operate the vehicle on streets, highways or elsewhere for the purpose of testing and/or inspection as necessary. An express mechanics lien is hereby acknowledged on the above vehicle to secure the amount of repairs/storage thereto. I also understand that storage on above vehicle will begin 5 business days following completion of repairs. If a lock out/hide a key is requested I understand that Collision Experts is no longer responsible for the vehicle after normal business hours. In addition I understand Collision Experts is unable to guarantee a completion date due to the complex nature of the repair process. Collision Experts is not responsible for any belongings left in the vehicle at time of repairs.
